The ADA got in touch with me and informed me that the trial is still on and that he will likely need me on the 16th, and that I could tell the ADA's that I have cases with on the 15th that I should be available for them, so it looks like I will not be available for either the [REDACTED] or the [REDACTED] trial on Feb. 16th. I will keep you informed if the case is pled or continued (before the 16th), though I know the ADA does not think that the defendant will take a plea. Sorry.

Thanks Sonja. If you are in fact going to Fall River, I may talk to the attorney about a continuance. We have been having a lot of trials lately and the judges have been expecting us to be ready first thing in the morning, so it may save us some grief!

Hi Cary-

As I mentioned when I got your summons for the [REDACTED] case also scheduled for 2/16/11, I may have a conflict as I am supposed to be in Fall River Superior Court for a trial starting on 2/15/11 (the ADA does not think he will need me until the 16th). I have emailed him and am waiting for a reply regarding the status of his case (I also have 5 district cases scheduled for 2/15/11). I'm planning on calling him over lunch if I do not hear back from him in the meantime, and I'll let you know when I find out anything. Sorry I do not have a more definitive answer for you now.
